

REMARKS

After the foregoing Amendment, the previously allowed claims remain pending in this application. The independent claims are reproduced as amended in the Examiner's Amendment issued with the Notice of Allowance.

Claim 13 is amended to revise the punctuation in the last paragraph by replacing the semi-colon with a comma. It was not intended to divide the last paragraph into two paragraphs as reflected in the Examiner's Amendment to claim 13. The change in the punctuation clarifies this.

Applicant respectfully requests that this amendment be entered without withdrawing the application from allowance. If the Examiner believes that any additional minor formal matters need to be addressed, the Examiner is invited to contact the undersigned by telephone at the Examiner's convenience.

Respectfully submitted,

Brooks et al.
